Prayer Path Guide

Pick a path, ours or make your own and bring others with you as you intentionally pray through a community, feel free to walk, drive or ride a bike. Ask Jesus for inspiration concerning who or what to pray for. As you pass by others in the community, ask how you could pray for them and explain what you are doing and why. Feel free to stop for conversation or coffee/food breaks, have conversation with shop workers/owners and ask how you can pray for them. Let these times be a blessing to the community.
