

God's Wonders Bible Story Challenge

God's power is revealed throughout Scripture (or the Bible) and when we see these true Bible stories come to life on the pages of our Bibles, we cannot help but to be in awe of God! God has power over *all* things and in Genesis chapter 1, we see that God spoke the earth into existence.

This kit is designed for your family to open the Bible together and read about the power of God and then discuss it. There are instructions on the back of this page to help you interact with the pieces.

We will be praying for your family as you create new rhythms of being in God's Word together!

God's Wonders Story Challenge Instructions

Before you begin, fold each card in half and place them in a basket.

1. Prompt your child(ren) to choose a folded image from the basket.
2. After they unfold it, identify the image and ask: Can you remember a time when God showed His power and authority over this? Discuss what they remember.
3. Find the Scripture reference their Bible and read it together (If there are two Bible references for the image, put the paper back to choose again).
4. After reading the Scripture, ask: What is one amazing thing God did in this *true* Bible story?
5. Finally, praise God for His power and love and talk to Him about your lives. 😊

Challenge: Close the Bible and see if your kiddo can find that story again.

Extension: What can we learn here about what matters to God?

You are fulfilling Psalm 78:4

Cut out the 15 images, fold them, and place them in a basket.

Daniel 6:4-28

Exodus 3:1-12
